Open your Business to Zero Waste!

Your **one-stop resource** for everything you need to comply with City of Boulder's new Zero Waste Ordinance.

ecocycle.org/businesses

Not sure how to comply with the Universal Zero Waste Ordinance? We've got you covered.

The City of Boulder's new ordinance requires that businesses recycle and compost by September 2016.

We'll make this easy.
We provide 100% of what you'll need to comply:

- Help identifying the systems and services your business will need
- Recycling, compost and trash collection
- Support for acquiring inside collection containers
- Guideline signage, customized signage available
- Help in attaining financial assistance, discounts and rebates
- Training for you and your employees

> **Eco-Cycle has been a great partner to work with over the years to help ensure that our staff is up-to-date on recycling practices.**
> —Steve Carr, Public Relations, Boulder Valley Credit Union

Through recycling, composting, and other Zero Waste practices, you can keep 85% or more of your waste out of the landfill—all for a price that's comparable to what your trash costs are today.

Eco-Cycle employees sort recyclables at the Boulder County Recycling Center.

Eco-Cycle is the community's only non-profit recycler, processing your materials for 40 years.

> **Eco-Cycle is critical to the success of our sustainability efforts. They are truly a valuable partner, and I recommend their services to anyone interested in elevating their programs.**
>
> —Kai Abelkis, Sustainability Coordinator, Boulder Community Hospital

Eco-Cycle provides more value for virtually the same cost while investing earnings in our community.

We can collect 100% of your discards

Recyclables, compostables, hard-to-recycle materials (computers, stretch wrap, pallets, books, and more) and trash.

We do NOT require long-term contracts

Why partner with Eco-Cycle for your Zero Waste needs? We're not like other haulers. Going for Zero Waste with Eco-Cycle is:

Good for the Community

We are the only non-profit recycler in Boulder County. Revenues go to our mission to build Zero Waste communities through education, outreach, and innovation.

Good for Schools

Our business department supports programs in Boulder and Broomfield County schools.

Good for the Planet

We collect more types of materials, including electronics, Styrofoam, stretch wrap and pallets, than any other hauler.

Good for your Sanity

One phone call gets you all you need to comply with Boulder's Zero Waste Ordinance. We are the only local recycler to provide employee trainings, custom signage, and pickup for hard-to-recycle materials.
