Eco-Cycle, Boulder's non-profit recycler, is looking for a friendly, energetic and positive person to join our team at the Center for Hard-to-Recycle Materials. CHaRM is a cutting-edge facility which recovers value from a wide range of unique and challenging consumer goods. This is a full-time position with generous benefits. The job is a combination of equipment operation (such as a basic baler), forklift work (experience preferred but not required), and customer service (answering questions, helping people unload their cars). Continuous on the job materials and equipment operation training provided.

Duties

- Provide direction and guidance to CHaRM customers to ensure they comply with material quality standards and to communicate the impacts of contamination
- Conduct quality control of all received materials at all phases of CHaRM operations: collection, processing and shipping.
- Maintain CHaRM public drop-off lane in a safe and orderly condition
- Operate a variety of material processing equipment including; balers, conveyors, forklifts, pallet jacks, etc.
- Direct and assist customers as needed and be alert for safety hazards
- Provide courteous and professional customer service at all times
- Keep all unloading areas free of debris (CHaRM lane and commercial unloading area)
- Assist self-hauling commercial customers in unloading accepted materials for processing
- Maintain forklift operator's certificate in good standing (training and certification provided by Eco-Cycle)
- Perform regular basic safety check and preventive maintenance on forklifts and CHaRM processing and materials handling equipment
- Perform all of the above tasks in coordination with small yard crew by maintaining good communication and relationships with fellow Eco-Cycle staff
- Other duties as assigned

Job Experience/Skills Required

- A demonstrated personal commitment to our environment, to reuse/recycling and an interest in conserving natural resources
- Public facing customer service-oriented experience
- Good team player – able to communicate problems and suggest practical solutions
- Some general knowledge of equipment/machinery/tools
- Certified forklift operator experience or other large equipment experience preferred
 - On the job training in equipment operation will be provided
- Must be able to lift a minimum of 40 pounds repeatedly
- Job requires performing physical labor in a safe way and includes significant time driving a forklift daily
- Job also requires working outdoors in all weather conditions in addition to working in a warehouse
- Must be 18 years of age or older

COMPENSATION

- This is an hourly position with a starting rate of \$18.50 per hour
- Fringe benefits include:
 - Paid time off including vacation and sick leave
 - 7 paid holidays
 - Employer match for health/dental insurance and 403b retirement savings
 - Employer paid life and disability insurance
