

ANNUAL REPORT 2025 - 2026

Eco-Cycle's **Green Star Schools®** program builds on and adds to its School Recycling and Environmental Education Program.

The Green Star Schools (GSS) program introduces **compost** collection to schools, improves **recycling**, and strongly emphasizes **waste reduction** activities. It provides participating schools with extensive and ongoing support, feedback, incentives, rewards, and special projects. The Green Star Schools program is key to helping create **environmentally literate graduates**.

2025-2026 Highlights

GREEN STAR SCHOOLS®

75

Green Star
Schools

37,552 students

4,919 school staff

up to a **67%** diversion rate

“ —

A HUGE thank you to you and your staff for helping us get our Green Star Schools program off the ground. Your help has been instrumental in making it a success. I have no doubt that the work you've done and lessons you have taught us will last a lifetime.

— Jason Gooding, Meridian Elementary Principal

DEMOGRAPHICS

12 Title I School Partners

29% Free & Reduced Lunch Program

11% English Learners

38% Non-Caucasian

**see Appendix B for the full GSS demographics data*

Zero Waste Supports:

Presentations & Activities **655**

Lunchroom Monitoring **315**

Zero Waste Event Kits Distributed **18**

Zero Waste Events **26**

**see Appendix C for the full GSS activities data*

NEW

GREEN STAR SCHOOLS

7 new Green Star Schools
4,498 students
634 school staff

The Green Star School launch process includes:

1. **Introductory Principal Meeting**
2. **Principal & Custodial Meeting:** plan collection system, education, and engagement of school community
3. **Student Group Meetings:** support student leadership through cafeteria waste audit and peer messaging
4. **Trainings:** Faculty, Staff, Custodial (day/evening), Kitchen, Lunchroom Paraeducators
5. **All-student education:** individual classes or grade-level
6. **Lunchroom Monitoring:** 3-6 weeks post-launch, Eco-Cycle staff guide proper sorting at the waste stations
7. **Raffle Activities:** All participants receive a raffle ticket towards a gift card for a local, low-waste business. *Sorting Wheel* (K-5th) asks if selected item is trash, compostable, or recyclable. *Sorting Raffle* (6th-12th) encourages daily participation in lunch waste reduction.
8. **School Community Messaging:** Eco-Cycle provides school announcements, letters to school staff and the parent community, as well as a banner and/or poster.

[View each school's new GSS launch materials here.](#)

Emerald Elementary: August 2025

Aspen Creek PK-8: November 2025

Meadowlark PK-8: February 2026

This project at these 3 schools was undertaken in connection with the settlement of an enforcement action taken by the Colorado Department of Public Health and Environment for violations of environmental laws and regulations.

Soaring Heights PK-8: August 2025

Centennial Elementary: September 2025

Meridian Elementary: October 2025

Rose Stein Elementary: September 2025

1st Green Star School in the City of Lakewood & Jeffco Public Schools

BROOMFIELD
Colorado

Adams 12
Five Star Schools

"The Green Star Program has been a huge success. The savings alone in supplies has been worth it. I can't see us not doing this, it was a long time coming...Our amount of waste going to the landfill has been reduced by 80%. Much of the praise goes to the children for being so adaptive and eager to help Mother Earth."

- Vincent Leal, Meridian Elementary Custodian

Lakewood
Community Sustainability,
Climate & Zero Waste

PROGRAM MAINTENANCE & SUPPORTS

To ensure a successful and sustainable Green Star Schools Program, Eco-Cycle collaborates with schools to provide annual education, on-site support, and maintain key staff relationships.

Annual GSS maintenance & support includes the following:

- 1. Zero Waste/Sustainability Advocate:** Each Green Star School designates a school staff member to the role of Zero Waste/Sustainability Advocate who facilitates communications and needs about the program with Eco-Cycle.
- 2. Annual Education:** Education is essential to train and refresh Green Star students and staff each school year. It focuses on how to sort recyclables, compostables, and trash correctly and other ways to reduce waste.
 - **Students** - GSS refresher education is provided for Kindergarten, 3rd/4th, 6th, and 9th grades to engage students at key moments throughout their schooling (with the option for refreshers for additional grade levels).
 - **School faculty and staff** – Training/educational sessions are provided with the option for custodial, kitchen, and paraeducator staff training as requested by district or school leadership).
- 3. New School Staff On-Boarding:** Introductory meeting of Eco-Cycle and new school principals, head custodians, and Zero Waste/Sustainability Advocates to discuss and answer questions about their role in the GSS program.
- 4. Lunchroom Monitoring Support**
- 5. Green Team & Student Group Supports**
- 6. Additional Student Refreshers and Assemblies** (upon request)

GREEN STAR SCHOOLS TOOLKIT

The GSS Toolkit provides access to all GSS benefits, resources, and materials, all in one location. It includes the following documents:

- Becoming a Green Star School
- Green Star Schools Program Maintenance
- Green Star Schools Benefits Flyer
- Waste Reduction Tips for Classrooms and Parties Flyer
- Student Group & Green Team Supports
- Compost, Recycle, and Landfill guidelines and printable signs

View the GSS toolkits for each district here: [BVSD](#), [SVUSD](#), [Adams 12 Five Star Schools](#), [Jeffco Public Schools](#)

315 Lunchroom Supports

Eco-Cycle's Green Star Schools program empowers students to make a daily positive impact through hands-on waste reduction. Through dedicated on-site lunchroom coaching, Eco-Cycle educators work side-by-side with students at the waste stations, turning daily discard disposal into an active learning experience.

359 Green Star Schools presentations

to 12,862 students and participants

38 School Staff Meetings & Trainings

16 Spanish or Bilingual English/Spanish presentations

“ —

I was also impressed by the recycling [and compost] station the school had set up – it's wonderful to see environmental responsibility being integrated into the school lunch program.

– Parent, Pioneer Elementary

— ”

25 Waste Audits

Eco-Cycle meets with Green Teams and other student groups to audit trash, recycling, and compost containers in lunchrooms and classrooms to assess sorting success and opportunities to improve waste reduction and reduce recycling and compost contamination.

GREEN STAR SCHOOLS DIVERSION DATA

Positive Climate Impacts: 2025-2026 School Year

COMPOST

276,923 lbs

Equivalent to:

- **5,528.5 million worms fed** 
*Worms can eat $\frac{1}{2}$ their body weight a day!
- **4.71 metric tons (10,384 lbs) of methane reduced:**
 - **47 belching cows** 
*Cows can belch ~220 lbs of methane/year!
- **463.05 metric tons of CO₂ reduced:**
 - **148 passenger vehicles** driven for a year 
- **63.54 million gallons of water saved**

Green Star Schools
make a positive
climate impact
through everyday
actions!

*Includes compost data in 48 schools: 45 BVSD & 3 Adams 12 Five Star. Compost data is not available from SVVSD or Jeffco's haulers.

RECYCLE

535,481 lbs

Equivalent to:

- **The weight of 357 bison** 
- **756 metric tons of CO₂ reduced:**
 - **176 passenger vehicles** driven for a year 
 - Carbon sequestered by **12,501 tree seedlings** grown for 10 years or **758 acres of forests** in one year 

*Includes recycle data in 45 BVSD Green Star Schools. Recycle data is not available from Adams 12 Five Star Schools, Jeffco, and SVVSD's haulers.

"Thanks for helping our kindergarteners be strong recyclers and composters!"

- Natalie Bauer, Kindergarten Teacher, Horizons K-8

ZERO WASTE EVENTS

REUSE IS THE BEST WAY TO REDUCE!

Making school events “Zero Waste” is another way to reduce Green Star Schools’ environmental impact. Not only do these efforts minimize waste generated at school events, but they also provide valuable educational opportunities for the entire school community. Students share their everyday Zero Waste practices such as reusing, recycling, and composting with their families and friends.

An important benefit of being a Green Star School is the ability to participate in Zero Waste Events. Eco-Cycle meets with event organizers to implement the use of reusable or recyclable materials when possible, considering everything from food service to prizes and decorations.

Eco-Cycle further supports schools by staffing Zero Waste Events, guiding attendees to properly sort reusables, recyclables, compostables, and trash.

Eco-Cycle creates custom ZWE tips flyers for each event to share with families ahead of time, encouraging waste reduction at events, including tips to bring reusable bottles, utensil sets, and dinnerware. Click [here](#) for some examples.

The [Celebrate More, Waste Less Flyer](#) is shared with all Green Star Schools and event organizers prior to party seasons to encourage reusable and recycling options, helping further reduce waste during school celebrations.

26 Zero Waste Events

Including all-school carnivals, dances, dinners, and sporting events

Reuse was a focus at the following events. Meals were served on reusable lunch trays or school reusables, and/or attendees brought their own reusable dinnerware for potluck-style cultural celebrations.

- **BCSIS: Autumn Social, Winter Festival, and Spring Carnival**
- **Creekside International Festival**
- **Fireside Multi-Cultural Celebration**
- **Manhattan Winter Fest**
- **Summit International Night**
- **Whittier Heritage Night**

ZERO WASTE MINI-GRANT PROGRAM

As a benefit of the program, Green Star Schools are able to apply for Eco-Cycle’s Green Star Schools Zero Waste Mini-Grant for one of seven Zero Waste Event Kits, consisting of a reusable storage container that holds 30 place settings of: reusable plates, cups, forks, spoons, and applicant’s choice of assorted flannel cloth napkins OR bowls.

There was a very high level of interest in the Zero Waste Event kits, with schools expressing a strong enthusiasm for reuse to reduce waste during school meals, celebrations, and events!

The following schools were awarded a Zero Waste Event Kit based on their impact on waste reduction for the entire school and the strength of their kit maintenance plan: **Eisenhower (BVSD), Nederland (BVSD), Rose Stein International (Jeffco Public Schools), Longmont Estates (SVVSD), and Ryan (BVSD) Elementaries**, as well as **Monarch PK-8 (BVSD) and Manhattan Middle (BVSD)**.

A kit includes 30 of each, stored in a reusable bin:

- cups
- plates
- spoons
- forks
- cloth napkins OR bowls

Help the Earth And Reduce Trash

The Green Star Schools **HEART** (Help the Earth And Reduce Trash) **Contest** encourages Green Star School Elementary students to show love for the planet, reduce trash and save natural resources through reducing, reusing, recycling, and composting during lunch. Six Green Star Schools competed in a two-week contest during the months of February and March to collect the cleanest compost and recycling, retain the most reusable utensils, and reduce trash.

The top two winning schools earned free books for all students from Eco-Cycle's CHaRMed Book Program, and an Eco-Cycle facilitated recess activity with a chance for one student in each grade to win a \$20 gift card. Additionally, first place also received a raptor encounter assembly with Raptor Education Foundation.

6 Participating schools

- BCSIS
- Eisenhower Elementary
- Fall River Elementary
- Heatherwood Elementary
- Rose Stein International Elementary
- Whittier International Elementary

1,886 Total students

Provided by Eco-Cycle:

- Waste reduction presentations for all students
- Meetings with student leadership/Green Teams
- Pre-contest and post-contest lunch audits
- Electronic flyer ([English](#)/[Spanish](#)) for parent/school community announcing school participation in the contest, including at-home waste reduction tips.
- School-wide announcements
- A customized parent/community letter for each school featuring a detailed contest summary, data about waste diversion, and celebrations of their successes. It also includes tips on how to continue waste reduction and other Green Work following the contest. [View follow-up school community letters in English and Spanish here.](#)

Heatherwood earned 1st place with 50% reduction in cafeteria trash, reduced compost contaminants by 50%, and retained 92% of reusable utensils.

Eisenhower earned 2nd place, reducing compost and recycling contaminants by 100%, and retained 100% of their reusable utensils.

Eisenhower and Heatherwood showed the most significant improvement in diversion from the landfill, collected the cleanest compost and recycling, and retained the most durable utensils.

Funded by the Boulder County Resource Conservation Division

SPECIAL PROJECT

Be Part of the Climate Solution: Sort Right!

Middle and high schools face distinct waste reduction challenges due to the developmental stages of their students. To enhance waste diversion at middle and high schools, Eco-Cycle developed a program to engage students in understanding the climate impacts and benefits of waste diversion. The **Be Part of the Climate Solution Sort Right!** promotion and raffle aims to improve and incentivize waste diversion at middle and high schools. During Eco-Cycle provided education, students learn about the negative impacts of landfiling, including its contributions to climate change, and how their small personal actions in sorting right at school can make a big global difference. Eco-Cycle then provides on-site support to encourage participation in waste diversion at lunch through recycling, compost, and reuse. For five school days, students who recycle, compost, or use reusable food serveware are randomly selected to win a \$20 gift card to a local low-waste or Zero Waste business of their choice.

2,562 middle and high school students at the following schools participated in this project:

Angevine Middle, Casey Middle, Manhattan Middle, Sunset Middle, Monarch PK-8, Eldorado PK-8, and New Vista High

Funded by Boulder County's Office of Sustainability, Climate Action, and Resilience (OSCAR)

LOCKER LEFTOVERS & CLASSROOM CLEANOUT

The end-of-school-year cleanup is a big task. However, with a little advanced planning, Eco-Cycle helps schools keep valuable materials out of the landfill through the **Locker Leftovers** and **Classroom Cleanout** programs.

The new **End-of-School-Year Cleanout Guide** (BVSD/SVUSD: [English/Spanish](#), Five Star Schools/Jeffco Public Schools: [English/Spanish](#)) was distributed to all 75 Green Star Schools. It is an interactive tool that helps students clean out common school supplies such as notebooks, planners, binders, pencils, art supplies, and more, the green way, by considering ways to reuse & recycle right.

During **Locker Leftovers**, Eco-Cycle staff set-up tables and collection bins near lockers to help students sort their locker items and school supplies for recycling and reuse. During **Classroom Cleanout**, participating schools hosted an exchange table for two days at the end of the school year for unwanted school supplies. School staff and students were able to select items for reuse.

Eco-Cycle collected remaining supplies that students and staff did not reuse or recycle, then sorted and donated them to local schools.

**Funded by the City of Boulder and Town of Superior*

7 Locker Leftover Schools

Fairview High, Platt Middle, Southern Hills Middle, Centennial Middle, Summit Middle, Manhattan Middle, and Eldorado PK-8

2 Classroom Cleanout Schools

Eisenhower Elementary and Mesa Elementary

32 boxes of supplies were redistributed to provide school supplies for students in need at the following schools:

Columbine Elementary (Boulder), Alicia Sanchez Elementary, Escuela Bilingue Pioneer, Eldorado PK-8, Angevine Middle, Southern Hills Middle, and Centennial Middle

**SPECIAL
PROJECTS**

**NEWSLETTER &
PUBLICATIONS**

**CHaRMEd
BOOK PROGRAM**

Green Star Schools Newsletter

The reformatted monthly newsletter features schools' waste diversion data (BVSD only*), shares short stories of the Green Star Schools community, tips for reducing, reusing, and recycling, plus sustainability & Zero Waste resources.

- [BVSD monthly GSS newsletters](#)
- [SVUSD/Five Star Schools monthly GSS newsletters](#)
- [Jeffco Public Schools monthly GSS newsletters](#)

**SVUSD, Jeffco Public Schools, and Adams 12 Five Star Schools' haulers do not report data monthly, so their newsletters do not include monthly compost and recycling data.*

Eco-Cycle Holiday Guide

The Eco-Cycle Holiday Guide (in [English](#) and [Spanish](#)) was distributed to all 75 Green Star Schools.

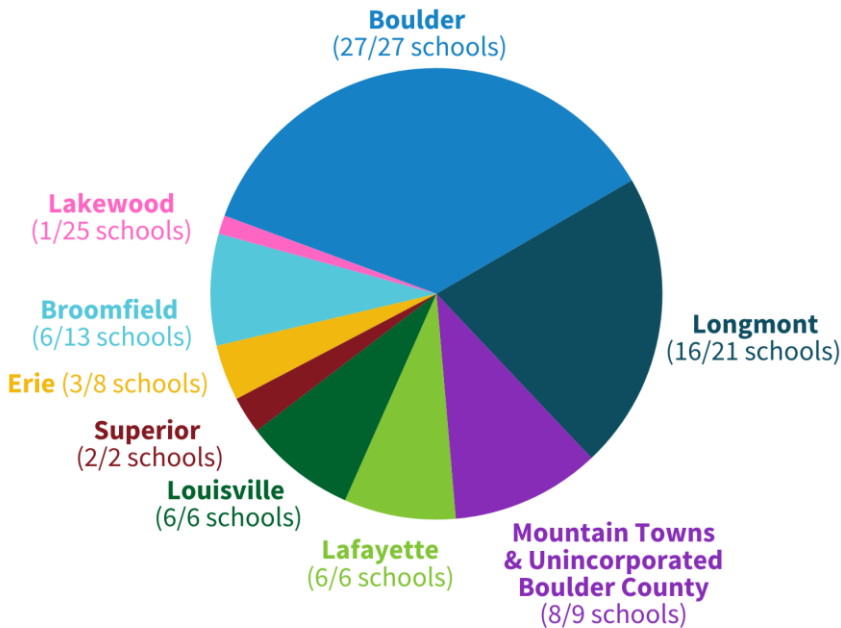

As a free benefit, Green Star Schools have access to thousands of books collected at the Eco-Cycle/City of Boulder Center for Hard-to-Recycle Materials (CHaRM) through Eco-Cycle's CHaRMEd Books program. Upon request, these books are sorted and delivered to schools to be used for student incentives, school community events, and more, to reduce waste and promote reuse and literacy.

3,151 books gifted to Green Star Schools this year!

EXPANDING ACCESS TO ZERO WASTE

Eco-Cycle continues to establish funding support and develop partnerships with municipalities and school districts to expand access to the program, ensuring that the opportunity to learn about and participate in waste reduction activities is available to all the diverse student populations that exist in Boulder, Broomfield, Jefferson, Weld Counties, and beyond.

46 Elementary Schools, 11 Middle Schools, 9 High Schools, 7 PK/K-8s,
1 Middle/Senior High School, 1 Early Childcare Center

Looking ahead:

- All BVSD schools will be Green Star Schools by the end of 2026! Currently, Currently, **92% of BVSD public schools are GSS.**
Eco-Cycle has secured funding from a Colorado Department of Public Health and the Environment Supplemental Environmental Project to bring the Green Star Schools program to BVSD Erie and Broomfield schools.
- Expanded partnerships with Adams 12 Five Star Schools, Jeffco Public Schools, and the City of Lakewood.

In addition to **expanding geographic access**, Eco-Cycle's Green Star Schools program aims to increase accessibility in Zero Waste by:

- **Decreasing language barriers:** Eco-Cycle developed bilingual Spanish/English student presentation slides, supplemental activity pages, and all school community and family communications. Eco-Cycle's bilingual educator also provided Green Star Schools presentations to Spanish-speaking classes.
- **Increasing outreach to all student groups:** Eco-Cycle offers Green Star Schools presentations to ILC (Intensive Learning Classrooms)/Special Education classes during GSS launches and refresher education.

Thank you to our Green Star Schools Funders!
